Minutes of the meeting of Entrepreneur development committee of JEC Alumni Association with twelve budding Engineers having entrepreneurial ambitions was held online over zoom on 29th August,2020 at 6:00 pm:

1. At the very beginning, the committee has expressed their satisfaction over JECAA 's venture towards development of young engineering talent in entrepreneurial field.
2. Subject to satisfaction of commitment of the young aspirants, The committee resolved to guide the twelve (12) interested students , who attended the meeting, to refine their business idea.
3. The committee also discussed scope and limitation of the association of JEC Alumni Association with the probable Entrepreneurs. It was decided to define a clear statement of commitment from both the parties.
4. As a follow-up the online interaction session, The committee decided to conduct a presentation by the students explaining their Business idea, Aims and Objectives in the month of September.
5. The committee decided to set a target every year to guide the number of young Alumni/students
6. The committee proposed to conduct a session on technology/Entrepreneurship every month to motivate the students and to answer their individual queries
